

## Switzerland: Change in the Ordinance on the Publication of Prices from January 1<sup>st</sup>, 2010 and July 1<sup>st</sup>, 2010

Dear customer,

We want to inform you that in Switzerland the Ordinance on the Publication of Prices (“Preisbekanntgabeverordnung”) has been changed. Some amendments are already effective since January 1<sup>st</sup>, 2010 (an actual version of the ordinance including these amendments can be requested from Telequest).

On July 1<sup>st</sup>, 2010 the following amendments will become effective:

- The **caller rate announcement** for **090x** numbers must additionally indicate that the cost stated refers to **fixed line call rates**.
- **Advertisements** for **090x** numbers must indicate unambiguously that the cost refers to **fixed line call rates**.

Since the carriers will implement the caller rate announcements as hitherto you don't have to take action in this regard.

Please adapt your advertisements in due time.

Example:

0900-xxx xxx (CHF 1,50 / min. aus dem Festnetz)

In case of further questions don't hesitate to contact us.

With best regards,

*Your Telequest-Team*
